### Fuel Stolen from Village Residents

In the past few weeks two village residents had approximately 200 gallons of fuel stolen from each of their fuel tanks. Home heating fuel is \$4.59 per gal. This is a significant amount of money.

**You may consider putting a lock on your fuel tank. Please be on the watch for suspicious activity around the village. If you see any suspicious activity or your fuel gets stolen; call the AK State Trooper at 907-465-4000. You can come to the CIV office to make this call.**

### CIV Office Closed for the following Holidays:

September 2 : **Labor Day**

September 3: **Martha Willard Day**

### The Blueberry Festival is August 30 & 31, 2013. See page 3 for the details.

There will be a potluck on Martha Willard Day, September 1st. The time is yet to be announced.

Stay tuned for other events during Culture Month, September.

### Scrap Metal & Junk Car Removal

We were able to get 62 refrigerant units out of the Klukwan Landfill the beginning of August. It cost \$50 per unit to get the Freon removed so these units could be disposed of legally.

We have 67 junk cars ready shipping this month. We have funding to get at least 40 of these vehicles out of the landfill. This will help us in our continued effort to care for our land through the Seventh Generation.

### Klukwan School Corner

School starts Monday, August 26 at 9 am.

We are looking forward to a great year for our students and teachers.

## **Klukwan Recycle Center has Moved!**

Recycle Center is now located in the connexes behind the CIV Office. All electronic waste needs to be taken to the white connex at the recycle center. If you need assistance at the recycle center or getting your recyclables to the recycle center; stop by the CIV office or call at 767-5505 and talk with Brian Willard or Pat Warren.

### **Every Other Thursday**

2013 Recycle Pick-Up Schedule:

Sept. 5, 19; Oct. 3, 17, 31; Nov. 14, 28; Dec. 12, 26

### **Waste-Oil Furnace**

We are still in need of waste oil for the Fire Hall waste oil furnace. The types of oil the furnace takes are used engine oil, transmission fluid, and number 2 diesel oil. If you change your vehicle oil please call the CIV office at 767-5505 ask for Brian Willard or Don Hotch Jr. and we can come and get your waste oil for the furnace.

### **Recycling Tips**

How to recycle:

**Aluminum Cans:** Rinse, drain, and put in Bin for transport to recycling center. (No foil / Pie Plates, cat food cans etc.)

**Tin Cans:** Rinsed, flattened, and labels off

**Plastic Bottles & Jugs:** p<sup>1</sup> – Green & Clear Soda Bottles & Jugs (All containers need to be rinsed out and lids removed)

P<sup>2</sup> – All Colors including white (All containers need to be rinsed out and lids removed)

Cloudy Plastic Jugs.

**Glass cannot be taken to Bigfoot until further notice.** Unfortunately, it has to be thrown in the trash for now.

**Used lead-acid batteries can be taken to Bigfoot. Bigfoot now takes used lead-acid batteries at no charge.**

### **Just a Reminder:**

Please make sure your household trash & garbage are in plastic garbage bags before putting it in the bear proof containers. If the bear proof container is full please let us know. We do have replacement bags for the bear containers.

### **Electronic Waste (E-Waste)**

E-Waste is used computers, cell phones, TVs, and VCRs. Some materials, such as lead, nickel, cadmium and mercury could pose threats to human health and the environment if mismanaged at their end-of-life. Keeping used electronics out of the landfills, to recover materials and the environmental impacts and energy demands from mining and manufacturing will lengthen the life of the landfill. Recycling electronics recovers valuable materials and as a result, we reduce greenhouse emissions, reduce pollution, save energy and save resources by extracting fewer raw materials from the earth.

If you have any e-waste, call the CIV office, 767-5505 and ask for Daniel Klanott or Pat Warren.
