Spring Clean-Up is the month of April. April 28 will be the big Spring Clean-Up & Barbeque

Culture Days at the Klukwan School: May 3 & 4

**What are climate change and global warming?**

**In case you were wondering what is the difference between the two:**

**Global warming** refers to the recent and ongoing rise in global average temperature near Earth's surface. It is caused mostly by increasing concentrations of greenhouse gases in the atmosphere. Global warming is causing climate patterns to change. However, global warming itself represents only one aspect of climate change.

**Climate change** refers to any significant change in the measures of climate lasting for an extended period of time. In other words, climate change includes major changes in temperature, precipitation, or wind patterns, among other effects, that occur over several decades or longer.

**Waste-Oil Furnace**

We are still in need of waste oil for the Fire Hall waste oil furnace. The types of oil the furnace takes are used engine oil, transmission fluid, and number 2 diesel oil. If you change your vehicle oil please call the CIV office at 767-5505 ask for Daniel Klanott ext 224 or Brian Willard ext 231 and we can come and get your waste oil for the furnace.

**Klukwan Recycle Center has Moved!**

Recycle Center is now located in the green building behind the CIV Office. If you need assistance at the recycle center or getting your recyclables to the recycle center; stop by the CIV office or call at 767-5505 and talk with Daniel Klanott ext. 224 or Pat Warren ext. 226.

**Recycling Tips**

How to recycle:

**Aluminum Cans:** Rinse, drain, and put in Bin for transport to recycling center. (No foil / Pie Plates, cat food cans etc.)

**Tin Cans:** Rinsed, flattened, and labels off

**Plastic Bottles & Jugs: p<sup>1</sup>** – Green & Clear Soda Bottles & Jugs (All containers need to be rinsed out and lids removed)

**P<sup>2</sup>** – All Colors including white (All containers need to be rinsed out and lids removed)

Cloudy Plastic Jugs.

**CIV is not able to recycle cardboard, paper, and glass at this time.**

Used lead-acid batteries can be taken to Bigfoot. Bigfoot now takes used lead-acid batteries at no charge.

**Electronic Waste (E-Waste)**

E-Waste is used computers, cell phones, TVs, and VCRs. Some materials, such as lead, nickel, cadmium and mercury could pose threats to human health and the environment if mismanaged at their end-of-life. Keeping used electronics out of the landfills, to recover materials and the environmental impacts and energy demands from mining and manufacturing will lengthen the life of the landfill. All electronic waste needs to be taken to the white connex next to the recycle center.

Recycling electronics recovers valuable materials and as a result, we reduce greenhouse emissions, reduce pollution, save energy and save resources by extracting fewer raw materials from the earth.

If you have any e-waste, call the CIV office, 767-5505 and ask for Daniel Klanott or Pat Warren.

**Thank You to all the people who are up to date with their Water and Sewer Utilities. As the end of 2016 approaches, we want to express our appreciation to our loyal customers. We deeply appreciate your business and the timely manner in which you pay you bill each month.**

**This keeps Klukwan's water flowing.**

August 3; 17; 31; September 14; 28; October 12; 16; November 9; 22; December 7; 21

**2017 Garbage Pickup Schedule:**

**February** 17; 21; 24; 28;

**March** 3; 7; 10; 14; 17; 21; 24; 28; 31

**April** 4; 7; 11; 14; 18; 21; 25; 28;

**May** 2; 5; 9; 12; 16; 19; 23; 26; 30

**June** 2; 6; 9; 13; 16; 20; 23; 27; 30;

**July** 5; 7; 11; 14; 18; 21; 25; 28

**August** 1; 4; 8; 11; 15; 18; 22 ;25; 29; 31;

**September** 5; 8; 12; 15; 19; 22; 26; 29

**October** 3;6; 10; 13; 17; 20; 24; 27; 31;

**November** 3; 7; 9; 14; 17; 20; 22; 28; 30

**December** 1; 5; 8; 12; 15; 19; 22; 27; 29

Please make sure your household trash & garbage are in plastic garbage bags before putting it in the bear proof containers. Please wait to throw food waste out until Monday or Thursday evening. When food waste sits in the dumpster longer than overnight it draws bugs.

Thank you to those who are waiting to throw food waste away.

If the bear proof container is full please let us know. We do have replacement bags for the bear containers. Please do not take your trash bags to the Recycle Center.
